*These plates can be personalized. **These plates are supplied by registrants. Effective September, 2007, all future special plate programs will be manufactured in the digital format. All existing embossed special plates will be converted to digital format as existing inventories are depleted. All standard-issue plates are available at county motor vehicle offices. Most special plates may be applied for at county motor vehicle offices. Plates will be mailed directly from the manufacturing facility to the customer. Personalized and special eligibility plates can only be applied for through ITD or through the internet at: itd.idaho.gov
